Dear Sponsor,

Arts Without Borders is a 501(c)(3) organization currently operating as a public charity. Since its inception in 2015, Arts Without Borders has been working relentlessly to promote classical performing arts beyond the borders of country, language or religion through various formal and informal events.

On August 10<sup>th</sup>, 2019 Arts Without Borders will be celebrating its 5<sup>th</sup> anniversary with a grand show, Rhy-Dhun: Rhythmic Exploration Beyond Borders. This show will highlight the confluence of three distinctly different classical dance forms – Kathak, Bharatanatyam, and Flamenco, connected through a common rhythmic pattern. The event is expected to attract 500 people of primarily Asian and Indian heritage. Sponsoring this event will give you an instant opportunity to reach to this vibrant community of professionals.
